

SUMMER UP

University Preparation Program

July 14 - 27, 2019

Prepare for Graduate School at the University of Hawai'i at Mānoa

Academic English Courses

Improve your English with intensive, active classes focused on preparation for university work, including speaking, listening, structure, and writing. Engage in a mini-research project and final presentation.

Academic Disciplines

Connect with the academic unit of your major area of study. Learn about the unique features and areas of focus and research of your preferred department or college.

Campus Resources & Services

Learn about UH Mānoa student services, the 3+2 program, resources for graduate students, and other interesting campus programs.

Off-campus Excursions

Participate in off-campus activities designed to introduce you to the history, culture, and beauty of Hawai'i. Practice using English in the community with local people.

Interaction with UH Mānoa students

Meet with UH students regularly as part of the English classes and during some activities.

Introduction to Hawaiian Culture

Learn about the beautiful and unique traditions of Hawai'i with a *kumu hula* (hula teacher), and while exploring the community during your stay.

Dormitory Living

Experience living in a campus dormitory setting with other students from around the U.S. and the world.

This program is offered by the University of Hawai'i at Mānoa Graduate Division and Outreach College.
